## We've Moved!

Just down the street from our old location, ACSI found a beautiful new home. It provides us with more warehouse space to keep even more parts and supplies in stock.

Stop by our new home and get a tour of our new 10,000 sq. foot facility. When most are getting smaller, ACSI continues to expand.

Please make note of our new address:

**19325 S. Schoolhouse Rd.  
Mokena, IL 60448**

Join all of us at ACSI in welcoming Mike Terry to our team.

He will be working as an Account Representative servicing our customers as well as adding new members to the ACSI family.

Mike will be working throughout the Chicagoland area and can be reached at 773.737.9200 or by email at [mterry@acsigroup.com](mailto:mterry@acsigroup.com).

Mike's experience in boilers, heating, air conditioning and chillers will add great value in helping your company meet its demands. He's been in the industry for over 20 years and has seen just about every issue imaginable.

Welcome Mike to the ACSI team!

## Service the Air Conditioning Units with our EPA Certified Technicians

The best way to keep your building comfortable this summer is by having an ACSI, EPA Certified Technician inspect your cooling system. We will run a complete diagnosis of the system ensuring it is properly cooling for a comfortable summer season.

You can expect us to:

1. Check refrigerant levels and check for leaks.
2. Check and/or replace filters.
3. Lubricate equipment. (Motors & Bearings)
4. Clean coils.
5. Check electrical wiring.
6. Calibrate controls.
7. Monitor for proper operation and check temperatures, pressures and airflow.
